 For rowers who qualify to participate in regattas that require travel expenses, please e-mail Mrs. Francis Olson, Business Manager, at folson@holynames-sea.org.

Location: Lake Washington Rowing Club – [910 N. Northlake Way, 98103](#).

Transport: Transportation from school to the boathouse is primarily via athlete-driven carpools. However, transport via carpool is not guaranteed or required, so anyone without a carpool will travel on HNA mini-buses or a chartered bus. Buses leave promptly at 3 p.m. each practice day.

Parking: A HNA Crew parking permit--for each season--will be available to students committed to carpooling. Carpooling is defined as one driver and three crew athletes. HNA will provide a discounted monthly parking permit for \$100 per month for families who desire to purchase a permit. Carpool drivers and discounted-parking drivers will receive a parking permit to display on their dashboard for the U-Park parking lots. Refer to parking lot maps [here](#).

Pick-Up: HNA community cannot use the main apron (tarmac) in front of LWRC for pick-up or drop-off. Car drivers should use the adjacent public parking spaces south of the LWRC boathouse or elsewhere to wait for their student. Please respect paid parking lots in surrounding vicinity. Do not idle or block N. Northlake Way to the south of LWRC boathouse or other parking spots.

Parent Meeting: **Monday, August 31, at 7 p.m. at Holy Names Academy.** It is required of all parents of student-athletes that they attend the Sports Information Night for parents each year.

Experienced Fall Races: Mark your calendars! Tentative notations indicate events that depend on the size of the team and availability of boats and events. Please assume participation and stay tuned for updates. Novices will participate in scrimmages throughout the season.
