ADVANCED PLACEMENT PROGRAM

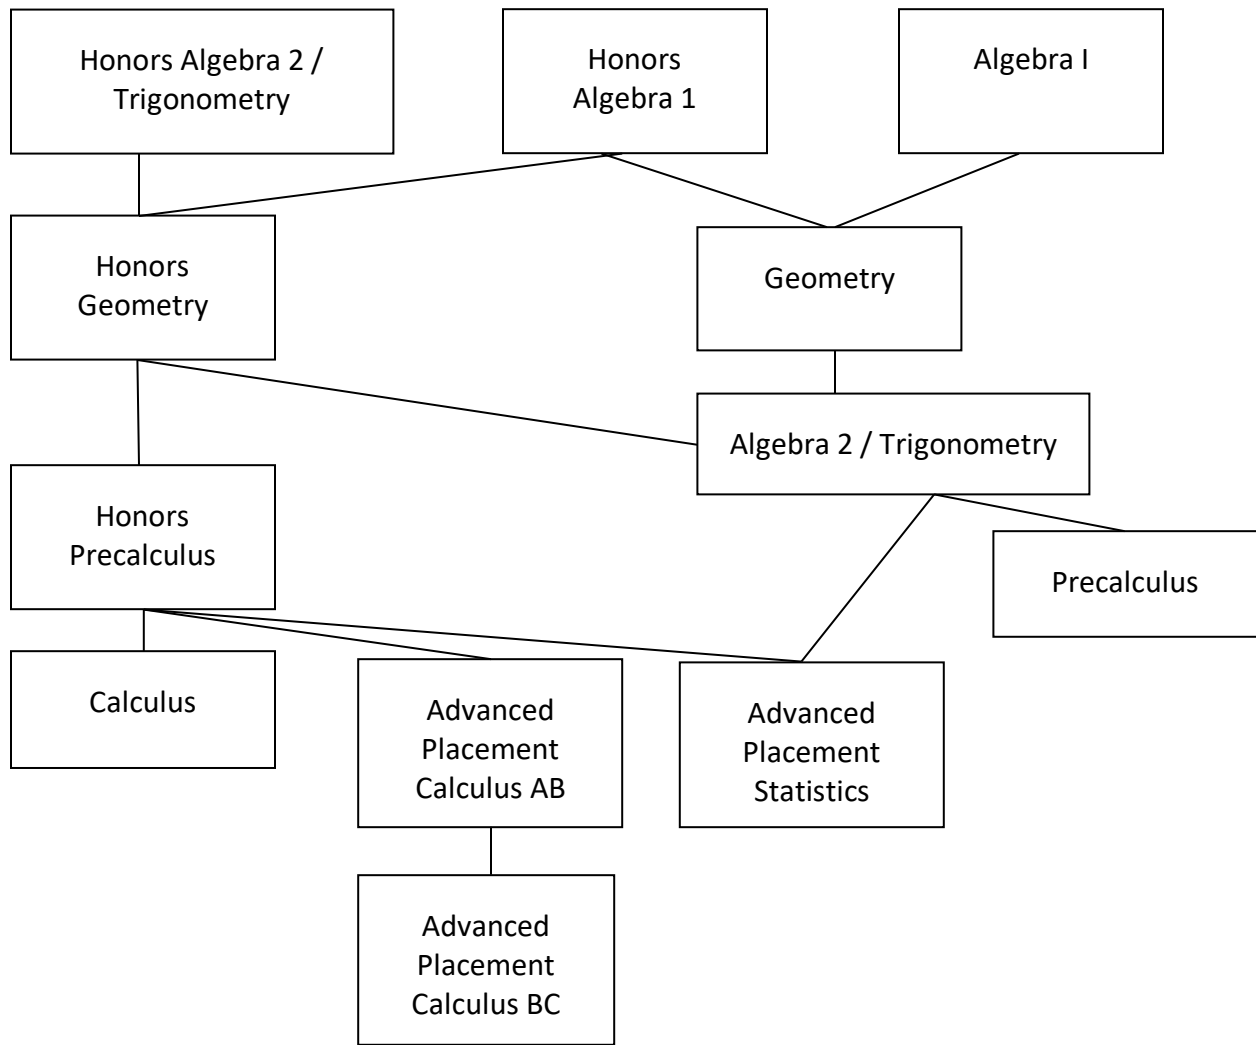

Advanced Placement (AP) is a program administered by the College Board in which high schools can offer college-level courses. Students enrolled in AP courses are tested on a national test day in May. Depending on their score, they may, and often do, earn college credit and/or gain early access to upper-level college classes. The exams are scored on a scale of 1 to 5, with the grade of 5 receiving the rating of “extremely well qualified.” Generally, a score of 3 or above earns college credit, depending on the college’s policies. Holy Names Academy students are encouraged to challenge themselves by taking AP classes as appropriate.

Reflecting the school’s commitment to providing broad access to the program, in May 2020, 905 AP exams in 16 subjects were proctored to 439 candidates at HNA. In all 16 subjects, Holy Names Academy students collectively scored higher than national and global averages. All students enrolled in an AP class at HNA are required to take the corresponding AP exam. Among the Class of 2020, 97.5% earned a superior score of 3 or higher on one or more exams.

In 2020, the College Board awarded a school-record 243 AP Scholar honors to 229 HNA students: 14 were named National AP Scholars, the highest honor, while 83 were named AP Scholars with Distinction, 56 were named AP Scholars with Honor, and 90 were named AP Scholars. Of the graduating Class of 2020; 83% earned AP Scholar recognition.
