## New Account Management System: MySchoolBucks

Elior is using a new account management system in the Café, MySchoolBucks. Any unused meal account funds on the prior management system (MySchool Account) at the end of the 24-25 school year have been automatically transferred to your student's MySchoolBucks account for the 25-26 school year.

You can access MySchoolBucks through its [website](#) or by downloading the MySchoolBucks app, which allows you to create an account to conveniently and securely, add money to your student's meal account, view dining purchases, check your student's balance, receive low balance alerts, and pay for school meals.

To [set up your student's account](#) on My School Bucks:

- Go to [myschoolbucks.com](https://myschoolbucks.com) or download the mobile app
- Create your free account and add your student using their name or student ID.
- Add funds using your credit/debit card or electronic check. Note: Max of \$200 per student per transaction. There is a \$3.25 program fee per transaction. You may add a [Family Pass](#) for a yearly fee of \$75.

If you need assistance with your MySchoolBucks account, visit [myschoolbucks.com](https://myschoolbucks.com) to view helpful how-to videos and answers to commonly asked questions, or contact MySchoolBucks directly by logging into your account and starting a chat or by calling (855) 832-5226.
