(Please indicate student class year for 2022-2023.)

Please complete the following information for all cars your family owns, leases, or uses. All students, parents, and faculty/staff who park in the HNA parking garage, HNA parking lot, or in the neighborhood must display a parking permit in the lower-left corner of the rear window of any car they drive to school. There is no fee for an HNA parking permit. All cars must be registered with Ms. Nancy Volk, Receptionist, by the first day of school. Parking permits will be issued during the first two weeks of August; should additional stickers be needed later in the year, please contact Ms. Volk at (206) 323-4272 or nvolk@holynames-sea.org. Please note: this parking permit makes it possible for HNA to contact drivers if there is a problem with a car; it does not guarantee protection from theft or towing.
