FROM HEAD OF SCHOOL & PRINCIPAL

Dear Alumnae and Friends,

As we head into the summer months, I am so grateful to the many students, parents, teachers, staff, and supporters who made this past school year successful. Despite the many adaptations, HNA was able to offer a full program of academics and activities—some virtual and some in-person. Thanks to everyone for their flexibility and ingenuity. While we will likely look back on this year as a time of great challenges, I also believe that we will carry forward some of the lessons learned and be a better school and community in the years ahead.

A highlight of the year was the opening of the Jeanne Marie McAteer Lee Athletic Complex and Underground Parking Garage. I extend my deepest thanks to everyone who made this amazing project possible—from our Board of Trustees to our staff to the many generous donors. Every time I drive into the garage or walk onto the court, I think of the collective generosity of this community in making this dream come true. It was a strategic project that will ensure the long-term viability of the Academy in the Capitol Hill neighborhood and strengthen our athletic program. Best of all, it was completed on time, under budget, and debt-free.

Shortly after the opening of the new athletic complex, the Metro League restarted competitive sports seasons, which had been on hold for almost a year. With various COVID protocols in place, all the traditional league sports were offered in two, shortened seasons this spring. HNA student athletes enjoyed team practices and local competitions. HNA Crew, a non-league sport, also enjoyed a spring season of practices and competitions.

This year also saw the passing of our dear friend and supporter, Jeanne Marie McAteer Lee '47. Her leadership, devotion, and generosity were instrumental during a pivotal time in the Academy's history, and her commitment to the mission of HNA remained steadfast throughout the years. Serving as President of the HNA Board of Trustees in the 1980s, she set the school on the trajectory to become the exceptional school it is today. She was an inspiration to me and to so many others.

After many virtual events this past year, we were so pleased to have an in-person Commencement ceremony for the accomplished Class of 2021. On June 3, 179 students graduated at T-Mobile Park. It was a celebration like no other this year, and I am grateful to our alumnae participants. Cindy Oh Lohman '80, President of the HNA Board of Trustees, opened the ceremony with the Invocation; Julia Reed '05 gave the Commencement Address; and parents DaVonna Nathan Johnson '90 and her husband, Del, offered the final blessing.

Finally, I give a shout-out to my fellow Pipers from the Class of 1971 on the 50th anniversary of our graduation. I look forward to gathering in person at a future date for a reunion and celebration of friendship and life. You are the best!

Sincerely,

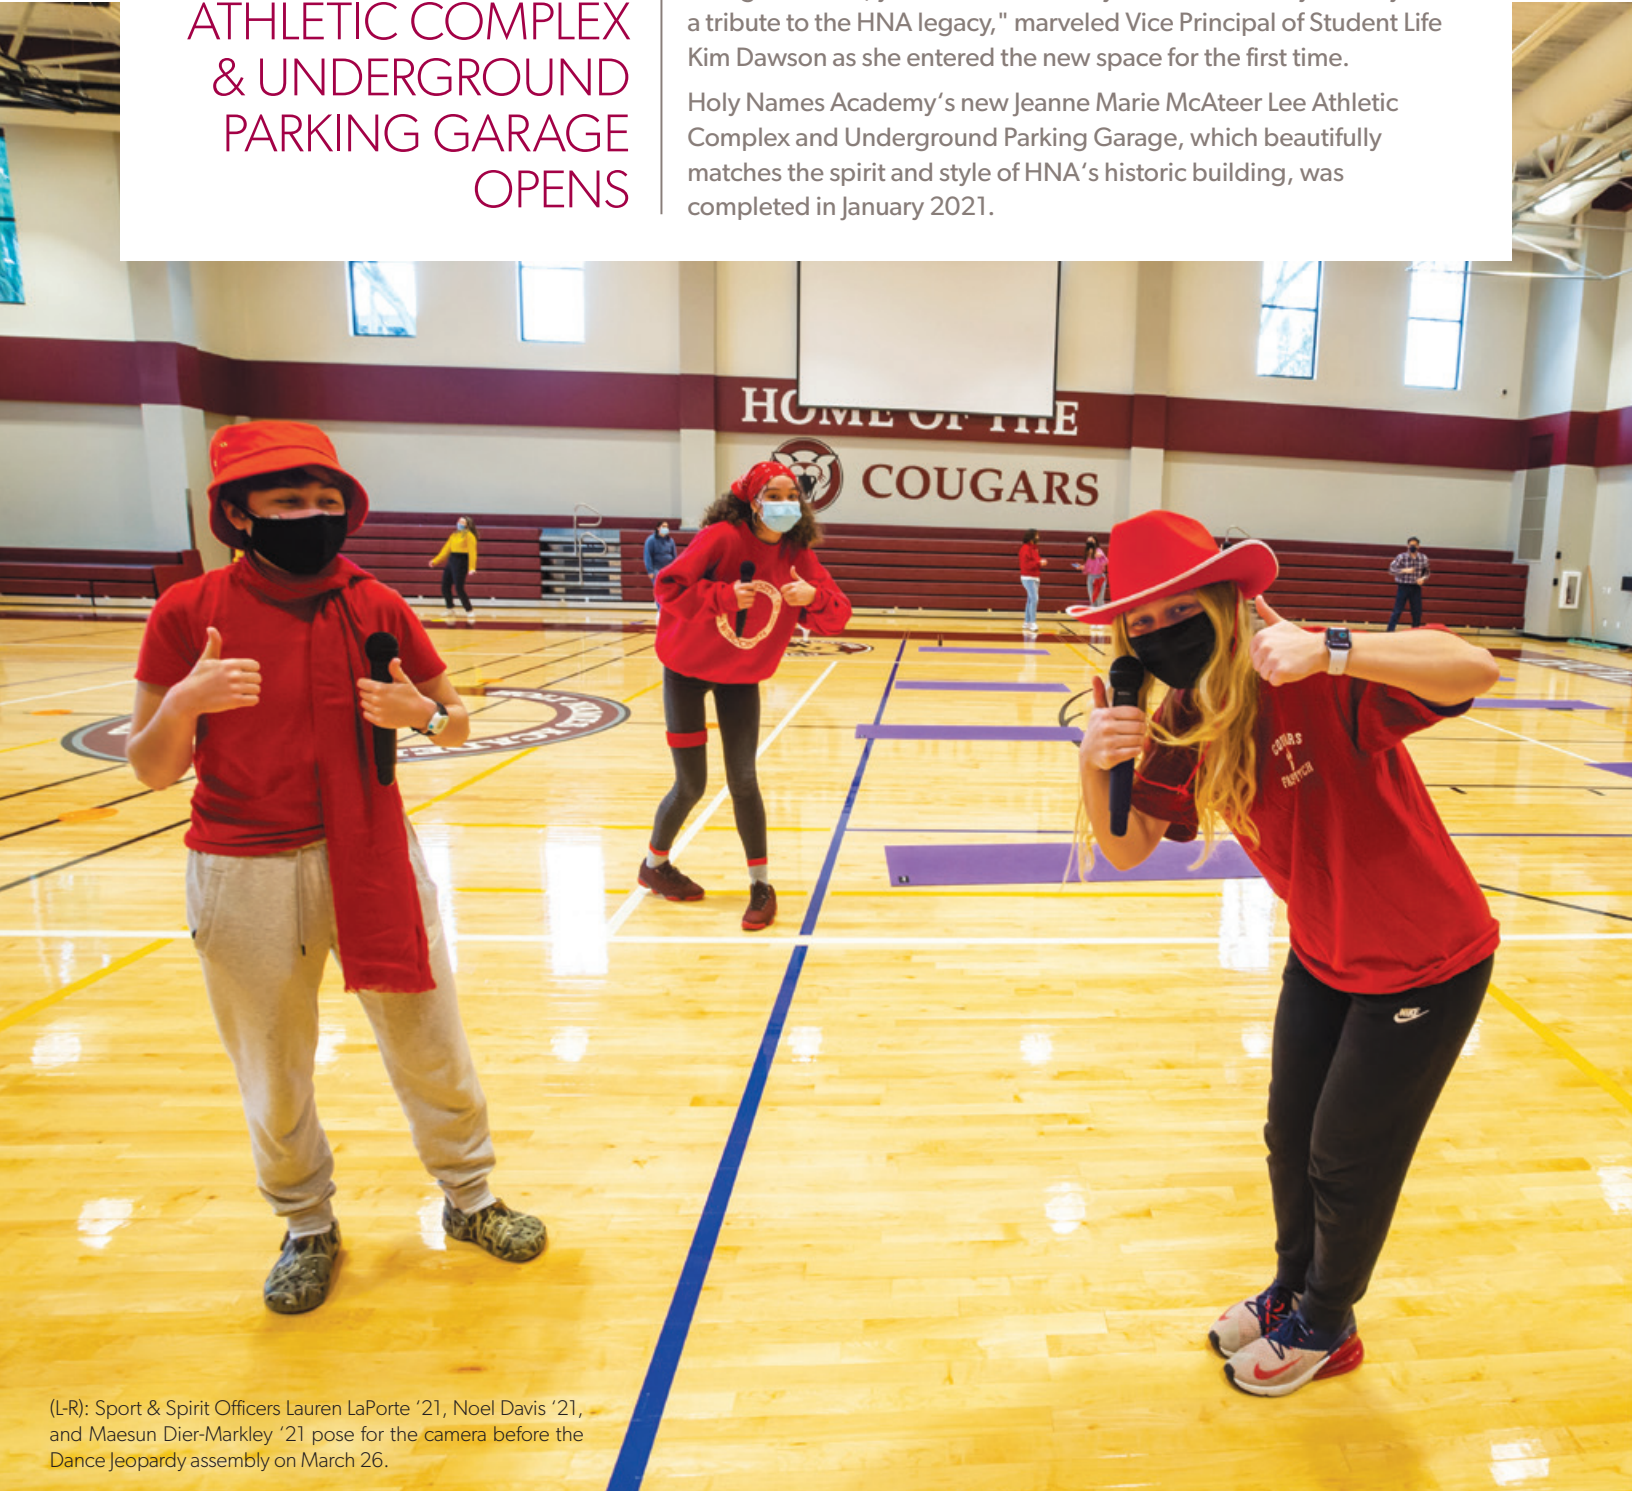

Liz Eldredge Swift '71

BUILDING THE LEGACY

HNA'S NEW ATHLETIC COMPLEX & UNDERGROUND PARKING GARAGE OPENS

"The new athletic complex is so beautiful and contemporary for the new generation, yet still feels like Holy Names Academy. It really is a tribute to the HNA legacy," marveled Vice Principal of Student Life Kim Dawson as she entered the new space for the first time.

Holy Names Academy's new Jeanne Marie McAteer Lee Athletic Complex and Underground Parking Garage, which beautifully matches the spirit and style of HNA's historic building, was completed in January 2021.

(L-R): Sport & Spirit Officers Lauren LaPorte '21, Noel Davis '21, and Maesun Dier-Markley '21 pose for the camera before the Dance Jeopardy assembly on March 26.

“THIS PROJECT IS A DREAM
COME TRUE FOR THE
LONG-TERM FUTURE OF
THE SCHOOL.”

Tasked with the challenge of creating a modern facility adjoining a 113-year-old building, Broderick Architects and Andersen Construction certainly rose to the occasion. With its modern design, beautiful landscaping and lighting, and useful features, this building project—the Academy’s largest and most ambitious since the completion of its historic building—was designed to ensure the long-term sustainability of Holy Names Academy. “This project is a dream come true for the long-term future of the school. I am so appreciative of everyone who made it possible,” says Head of School & Principal Liz Eldredge Swift ’71. The project began in June 2019 with the demolition of the 1990 Jeanne Marie McAteer Lee Gymnasium, followed by

the excavation process to prepare for the garage. Construction began in the fall of 2019 and was paused for six weeks in the spring of 2020 due to the COVID-19 pandemic. Despite this delay, the project proceeded under budget and on schedule, and the new facilities opened in January 2021. Students, faculty, and staff who have returned to school for in-person learning are now parking in the garage, and student athletes are competing in the athletic complex.

Accommodating 243 cars, the new underground parking garage helps HNA remain a viable destination for young women throughout the Puget Sound region as parking availability in the surrounding neighborhood continues to decrease. The new parking garage

contains many important features including electronic vehicle charging stations, an entrance and exit car counter, heated ramps for ice and snow, bumpers on every column, double-striped parking spots, gates, cameras, emergency phones, and lighting throughout.

The new 19,000-square-foot athletic complex will support HNA’s thriving athletic program, which has grown to an incredible 26 teams. It also provides more space and amenities for HNA’s P.E. and health programs and all-school assemblies. Other notable features include a weight room, athletic training room, classroom and office space, team meeting room, locker rooms, and increased gym seating, court space,

and storage. And demonstrative of the thoughtful planning of this complex, the solar panels installed on the roof of the athletic complex generate enough electricity to light the entire structure.

When the Sisters of the Holy Names of Jesus and Mary opened Holy Names Academy's school building on Capitol Hill in 1908, it was the culmination of a process driven by growth in the school and the city of Seattle. The Sisters' objective was to ensure the long-term sustainability of Holy Names Academy. In opening the Jeanne Marie McAteer Lee Athletic Complex and Underground Parking Garage, Holy Names Academy carries on the Sisters' mission of educating young women for generations to come.

A TRIBUTE TO

JEANNE MARIE MCATEER LEE '47

Jeanne Marie McAteer Lee, a beloved Holy Names alumna from the Class of 1947, passed away on January 16, 2021. Jeanne Marie was born in 1930 and was raised on Capitol Hill in Seattle. She attended Holy Names Academy and then Seattle University, where she sang opera and graduated with a degree in English. While at Seattle University, Jeanne Marie met the love of her life, Rhoady Lee, Jr. Jeanne Marie and Rhoady married and raised six children together. Rhoady passed away in 2012. Love of family and love of God were Jeanne Marie's guiding principles throughout her life. She attended Mass at Sacred Heart Church in Bellevue and was a voracious reader, who had a deep appreciation for education.

Jeanne Marie and Rhoady were lifelong supporters of Catholic education. They

received the Elizabeth Ann Seton Award from the National Catholic Education Association, as well as the St. Ignatius Medal from Seattle University. Jeanne Marie served on the Board of the *National Catholic Reporter*. She was also an enthusiastic supporter of the arts and regularly attended the Seattle Opera, the Seattle Symphony, and events at the Seattle Art Museum, and served on the Seattle Youth Symphony Board.

Jeanne Marie was a devoted alumna of Holy Names Academy, giving of her time, talent, and treasure over many years. She served as President of the

Board of Trustees and was instrumental in securing HNA's future during pivotal times in its history, providing invaluable guidance and leadership. Jeanne Marie and Rhoady contributed generously to Holy Names Academy and sponsored the building of the Jeanne Marie McAteer Lee Gymnasium on the site of

the former tennis courts in 1990. HNA is proud that the new Jeanne Marie McAteer Lee Athletic Complex will carry her name into the future. Jeanne Marie's spirit and devotion had a significant and lasting impact on Holy Names Academy, and her legacy will live on in our hearts and on our campus.

BE A PART OF HOLY NAMES ACADEMY HISTORY BY SUPPORTING

FOUNDATION FOR THE FUTURE:
THE CAMPAIGN FOR HOLY NAMES ACADEMY

In anticipation of this \$36.8 million dollar building project, Holy Names Academy carefully saved \$28.4 million over the course of many years and in early 2019, launched the capital initiative ***Foundation for the Future: The Campaign for Holy Names Academy*** to raise the remaining \$8.4 million. After a successful lead gift phase of the campaign, HNA deliberately suspended all fundraising efforts in March 2020 due to the financial uncertainty many HNA community members faced during the COVID-19 pandemic. Despite the temporary suspension of the campaign, construction and funding of the project continued so that the project could remain on schedule and on budget. Holy Names Academy relaunched fundraising efforts in August 2020, and thanks to the hard work of the campaign committee members—including several alumnae—and the generosity of the HNA community, HNA has raised **\$7.6 million of the \$8.4 million goal to date!**

Alumnae participation in the campaign has been inspiring, with 24% of all gifts to the campaign coming from alumnae. The single largest gift to the campaign to date is a \$500,000

gift from alumna Camilla Manca Tilford '64. HNA is so grateful for the continued support of its alumnae community.

Special thank you to the families whose generous contributions have been recognized in the following spaces in the new Athletic Complex:

- Bosa Family Training Center
- Class of 1961 & Suzie Burke '61 Scoreboard
- Irvine Family Rotunda
- John & Jo-Ann Pizzello Kelly '66 Center
- Neiders Family Lobby

If you have not had the opportunity to participate in the campaign yet, it is not too late. HNA needs your help to cross the finish line. Please consider joining the many others who have made a gift to the campaign to support HNA's mission of educating young women for generations to come.

CONSIDER MAKING A GIFT TO THE CAMPAIGN TODAY!

MAINTAINING HNA'S STRONG ALUMNAE CONNECTIONS AND CELEBRATING ITS DIVERSE COMMUNITY

Dear Alumnae and Friends of HNA,

I am thrilled to be taking the helm as HNA's new Director of Alumnae Relations! I am an alumna from the Class of 2009 (Go Skippers!), and I graduated with a B.A. in Journalism from Marquette University in 2013. My younger sister, Jessica, is also a proud HNA alumna from the Class of 2017. I have

thoroughly enjoyed being back under the Dome, working in the Development Department, serving on the Alumnae Board, chairing the inaugural Alumnae Networking Event, reconnecting with classmates, and hearing from fellow alums. I am grateful to my predecessor, Aoife Groppo, who has been a wonderful advisor and continues to serve HNA as the Publications Editor.

HNA's mission and culture are tethered by the strong foundation of sisterhood and unity, the full development of the whole person, the diverse beliefs and backgrounds of our students and alumnae, dedication to justice, and the rich traditions we have as a community. In the six months

I have spent in the Alumnae Office, I am constantly inspired by the strong bonds and memories that HNA alums share with each other and the school. Recently, I was incredibly moved by the outpouring of nominations we received for the many HNA alumnae frontline and essential workers who have selflessly served their communities throughout the COVID-19 pandemic.

The Alumnae Board has also been hard at work establishing dedicated DEIJ (Diversity, Equity, Inclusion, Justice) programming within the HNA Alumnae Association. Last fall, the Alumnae Board formed a DEIJ Book Club, which meets regularly to discuss readings, identity, equity, inclusion, and community, and the ways in which HNA alumnae can make an impact. This is an important effort that will continue to grow and evolve, just as we continue to grow and evolve as people. I look forward to continuing to enhance HNA's robust alumnae program, illuminating the impressive work of our alumnae around the world, and celebrating and honoring our diverse community.

Sincerely,

Laura Irvine '09

INTRODUCING HNA'S NEW VICE PRINCIPAL OF ACADEMICS, DR. MARIANNE HARRIS MCGAH '01

Dr. Marianne Harris McGah '01 was named the new Vice Principal of Academics this past January, succeeding Ms. April Little. Prior to assuming her new role, Marianne served on the HNA administrative team, chaired and taught in the Theology Department, and served as Curriculum Council Chair. She earned her Ed.D. in Educational Leadership from Seattle University, her M.A. in Secondary Education from Providence College, and her B.A. in Theology from the University of Portland. Marianne is a proud Piper from the Class of 2001. "Marianne is a terrific, new member of our administrative team with the enthusiasm, training, and dedication to mission necessary to lead the academic program forward in the years ahead," remarks Head of School & Principal Liz Eldredge Swift '71.

"I am honored and excited to be in the role of Vice Principal of Academics. I love being part of the HNA community and getting to work with the faculty, staff, and students. I look forward to continuing to create an environment in which all students can thrive academically and be empowered to use their skills and talents to positively contribute to the world," says Dr. McGah.

After fourteen years of wonderful service as Vice Principal of Academics, April Little assumed a new position in curriculum and instruction with the Edmonds School District. Liz Swift

"I LOOK FORWARD TO CONTINUING TO CREATE AN ENVIRONMENT IN WHICH ALL STUDENTS CAN THRIVE ACADEMICALLY AND BE EMPOWERED TO USE THEIR SKILLS AND TALENTS TO POSITIVELY CONTRIBUTE TO THE WORLD."

thanks April for her longtime dedication to HNA: "April's commitment to the mission of Holy Names Academy and to diversity, equity, inclusion, and justice work—as well as her advocacy for each student and her instructional leadership—have been gifts to our school."

HNA STUDENTS RETURN TO IN-PERSON LEARNING

Throughout the COVID-19 pandemic, the resilience, flexibility, and resourcefulness of the HNA community have been apparent. Students transitioned from online learning to in-person learning in a 50%-hybrid model in February 2021. Through both online and hybrid learning, students demonstrated remarkable ingenuity, excelling in coursework, participating in clubs and extracurricular activities, and engaging with classmates.

Faculty mastered the difficult art of simultaneously teaching students in person and on Microsoft Teams. Staff and administrators worked hard to adapt the operations of the school to comply with ever-changing guidelines established by Washington State and King County health officials. Donors gave generously to support students with financial need. Because of the participation of the entire community, HNA has been able to continue

providing real-time, quality instruction, student activities and social interaction, and meaningful engagement between students and teachers throughout the pandemic, factors that are critical to effective learning and adolescent development. While the past year has been challenging in countless ways, there are certainly some silver linings—the resiliency of the entire HNA community being one of the brightest.

JULIA REED '05 GIVES COMMENCEMENT ADDRESS TO CLASS OF 2021

Commencement ceremonies for the HNA Class of 2021 were held at T-Mobile Park on Thursday, June 3 at 1:00 p.m. HNA secured this premier outdoor space in partnership with other Seattle Catholic high schools. T-Mobile was able to adapt the graduation ceremony to comply with safety guidelines for COVID-19. HNA was honored to welcome alumna Julia Reed '05 as this year's Commencement Speaker. Julia has spent her career in politics, government, and public

service. She currently works as a Consulting Manager for Kinetic West, a social impact consulting firm based in Seattle and previously served as a Senior Policy Advisor in the Office of Mayor Jenny Durkan and as a political appointee in the Obama Administration. She holds a Master's in Public Affairs from Princeton University's Woodrow Wilson School of International and Public Affairs and a B.A. in Government from Smith College. Julia is also a member of HNA's Alumnae Board.

CLASS OF 2021 FACTS FROM HNA'S COLLEGE COUNSELORS

179

All 179 members of the Class of 2021 chose to continue their education at a four-year institution. They were admitted to 223 different institutions, of which they chose to attend 89—located in 29 states, the District of Columbia, and five foreign countries.

76%

76% of the Class of 2021 collectively received offers of academic scholarships and awards totaling \$38.6 million. Approximately \$6.77 million of the awards will be used to fund their educations.

2021 TOP 10%

77 members of the Class of 2021 received the Washington State Honors Award. The award is given to the top 10% of seniors in the State of Washington on the basis of SAT or ACT scores and an unweighted grade point average. With the absence of test scores this year, students had to meet certain course requirements in mathematics and English. Over 43% of our seniors ranked in the top 10% of the students in Washington!

SENIOR APPEAL – THANK YOU, CLASS OF 2021!

As an annual HNA tradition, members of the senior class make a gift to HNA in honor of their four years spent under the Dome. This year, the Senior Gift supported HNA's annual Day of Giving, #OneDayforHNA, which helped fund *Foundation for the Future: The Campaign for Holy Names Academy*. Thank you to the 87 members of the Class of 2021 who participated and raised over \$1,800. Your generosity is inspiring!

CELEBRATING LEGACIES FROM THE CLASS OF 2024

Each year, HNA's tradition of educating generations of families continues. Among the current 9th-grade class, 50 are legacy students, meaning that they have relatives who graduated from or currently attend HNA. Last fall, these legacy students received gifts from the HNA Alumnae Office welcoming them to the Academy. Of these legacy students, three have mothers and a grandmother who graduated from Holy Names Academy.

HNA ENDOWMENT SPOTLIGHT

INSPIRED TO GIVE BY HER COMMUNITY OF HNA ALUMNAE

To Mary K Rauen Koon '73, Holy Names Academy represents community—a web of deep relationships and unexpected connections, both personal and professional. Growing up in the same neighborhood as HNA meant that attending the Academy was a family affair. Mary K's aunt graduated in the early '40s, her cousin attended the grade school, and other family alums include cousins ('68 and '70), her daughter and niece in the late 90's, and a niece in 2012. Mary K's lifelong friendships, which blossomed at the Academy, are celebrated at an annual luncheon, a tradition started their junior year. And much to her delight, Mary K has met HNA alumnae in the workplace, at PTA meetings, and at volunteer activities.

Mary K knows that it is not by coincidence that these HNA alumnae have in common a strong sense of self, leadership qualities, and a generous spirit, motivated to lead lives with purpose and integrity. These values are instilled by the Academy. Even Mary K's aunt, Kathleen Rauen '41, was a role model for independent women during her generation, working as a wheat buyer for General Mills in Seattle, Los Angeles, and the Bay area. With a desire to help young women find their voice—a value Mary K cherishes about the HNA

education and experience—Mary K felt compelled to deepen her philanthropic commitment to the Academy.

When her niece and goddaughter, Betsy Arntz '99, passed away unexpectedly in 2010, Mary K established an endowment in her memory. Betsy was cut from the same HNA cloth. Intellectually curious, graceful, and kind, Betsy was dedicated to her career at the Fred Hutch Cancer Research Center and her volunteer efforts with the Juvenile Diabetes Research Foundation. Betsy's family believes that her happiest years were spent with her friends at the Academy.

Mary K has quickly grown Betsy's endowment through her employer's generous charitable giving program. Not only does the Bill & Melinda Gates Foundation match all Mary K's gifts at a rate of three dollars for every one dollar contributed, it also matches her volunteer hours in the community.

As she continues to grow the Betsy Arntz '99 Memorial Scholarship Endowment, Mary K appreciates the Academy's continued commitment to economic diversity—a commitment that benefits the entire student body, not just those receiving financial aid, by providing opportunities for students to

Painting of Betsy Arntz '99

learn from peers with a wide range of experiences and perspectives. Through honoring her niece's memory, Mary K looks forward to supporting generations of female leaders for years to come.

To learn more about establishing a scholarship endowment, please contact Cara Priestley '97, Planned Giving Officer, at (206) 720-7803 or cpriestley@holynames-sea.org. For more information on matching gifts, please visit HNA's website at www.holynames-sea.org/giving/matching-gifts.

LEGACY SOCIETY SPOTLIGHT

CONTINUING HER FAMILY'S COMMITMENT TO CATHOLIC EDUCATION

For Annette Lund '67, joining the HNA Legacy Society was a decision steeped in family tradition, a way to honor her Swiss-Italian family. Her grandfather was an immigrant farmer that strongly valued Catholic education. Despite their modest beginnings, her grandfather ensured that all five of his children attended Catholic schools, often asserting that the best money he ever spent was on Catholic education. Annette's mother, Emma Codiga Lund, was similarly a champion for Catholic schools and the student body president of her beloved Immaculate Conception High School, Class of 1939. Inspired by her mother, Annette joined the Legacy Society to continue her family's longstanding commitment to Catholic education. The inheritance from the sale of her grandfather's farm, passed down from generation to generation, will be the legacy Annette leaves to HNA—the gift that keeps on giving.

Annette also established an endowment in her mother's name, the Emma Codiga Lund '39 Memorial Scholarship, to ensure that students receive an excellent education at the Academy regardless of

their family's economic circumstances. Emma was so proud of her Immaculate education, reuniting with her classmates annually until her death in 1989 at age 68 of multiple myeloma. Likewise, Annette's HNA community has been her anchor during the COVID-19 pandemic. Emailing almost daily, her lifelong HNA friends have been a source of strength while she has worked on the front lines during the pandemic. Annette works

part time in her "retirement" as a Nurse Practitioner at Harborview Medical Center's Family Medicine Clinic. We are so grateful for Annette's dedication and service to the community and HNA.

For more information on including HNA in your estate plans, please contact Cara Priestley '97, Planned Giving Officer, at (206) 720-7803 or cpriestley@holynames-sea.org.

THANK YOU TO ALL WHO DONATED AND SUPPORTED OUR THIRD ANNUAL #ONEDAYFORHNA!

#OneDayforHNA
4.20.2021

On April 20, 2021, HNA hosted its third annual Day of Giving, #OneDayforHNA, and 318 members of the HNA community came together to raise over \$97,000 to support *Foundation for the Future: The Campaign for Holy Names Academy*. Special thank you to Lauren Wyckoff '05 and the anonymous donor from the Class of 1972, who both provided \$10,000 matching gift challenges to help

encourage participation. In gratitude for the support of the community, HNA premiered its virtual tour of the Jeanne Marie McAteer Lee Athletic Complex and Underground Parking Garage. Once again, #OneDayforHNA demonstrates the power of collective giving and incredible generosity from our community, which continues to make a difference in the lives of young women.

DECK THE DOME 2020: DECKING NEW HALLS AT HNA

The pandemic did not stop the HNA community from heralding the start of the holiday season! Deck the Dome 2020 was a virtual holiday affair that livestreamed from the historic HNA building and included footage of the newly completed Jeanne Marie McAteer Lee Athletic Complex and the traditional lighting of the landmark dome.

Through the support of the generous HNA community, the event raised more than \$160,000 to support the purchase of bleachers to accommodate students and spectators for events, assemblies, and athletic competitions in the Jeanne Marie McAteer Lee Athletic Complex. Increased seating for future gatherings of current students—and the greater HNA community—is just one of the exceptional benefits of the new athletic complex.

We extend special thanks to AVMS for its incredible production support of the virtual event, Emcee Brian Callanan, and current parents Hobie and Reiko Fugate for their \$30,000 Funded Item challenge match that helped inspire generous giving.

CHEER! 2021: AN EXTRAORDINARY CELEBRATION OF THE HNA COMMUNITY

Holy Names Academy celebrated its annual CHEER! Auction virtually on Saturday, March 27, 2021. The theme for this year's event was, "The HNA Variety Show: An Evening of Unexpected Delights and Extraordinary Talents," which showcased the creativity and many gifts of the HNA community. In addition to the Funded Item and auctioning of items, this jam-packed, high-energy program included videos from the HNA Teacher Band, the HNA Vocal Ensemble, Theresa Rivera '21, and HNA faculty and staff with the "Top 10 Silver Linings of the Pandemic."

A major benefit of the virtual event is that members of the HNA community, who would not normally be able to attend in person, were able to participate. Thanks to purchases made in the online auction, donations to the Funded Item, underwriting, sponsorship, and advertising contributions, CHEER! raised more than \$390,000 for the Academy. Of that number, over \$162,000 supported the Funded Item, which

strengthens the HNA Scholarship Endowment Program and aids students needing financial support, far exceeding the Funded Item goal of \$125,000.

Holy Names Academy extends its deepest gratitude to the generous contributors of CHEER! 2021 and looks forward to gathering together for this annual event next year!

Limited-edition glassybaby drinkers etched with the HNA logo (\$100) are still available. To purchase, contact Marnie Foust at mfoust@holynames-sea.org.

40th ANNUAL ALUMNAE LUNCHEON: A VIRTUAL CELEBRATION

Veronica Nims Olson '04

During the 40th Annual Alumnae Luncheon, held virtually this year, the Alumnae Board recognized our alumnae who served and continue to serve as frontline and essential workers during the COVID-19 pandemic. We honor and celebrate these resilient women who are leading the charge in protecting and caring for the safety of their communities. We commend you for your leadership, courage, and service. Thank you to everyone who submitted nominations!

During the program, Alumnae Board President Jessica Gockel Nelson '03 served as the emcee,

and Alumnae Board Vice President Taylor Grady '11 was the chat moderator. Annie Wickwire Delucchi '82 carried on the tradition of announcing the "raffle" basket winners! Thank you to Veronica Nims Olson '04 who closed out our event with a beautiful rendition of "Holy Names Forevermore." Special thank you to the dedicated sponsors and patrons who supported this beloved, annual tradition. We appreciate all who tuned in, and we hope you will join us for the Alumnae Luncheon at the Golf Club at Newcastle on Saturday, March 5, 2022.

VERY VIRTUAL VINO: ALUMNAE WINE TASTING

The HNA Alumnae Board was thrilled to partner with Locus Wines for the annual Alumnae Wine Tasting event, aptly named Very Virtual VINO this year. Locus Wines winemaker, Rich Burton, and Executive Chef, Ton Yazici, led a group of alumnae and friends in an enjoyable and informational evening on Zoom about their winemaking and culinary process. Thank you to Locus Wines for joining us and to all who supported and participated in the event!

YOUNG ALUMNAE HOLIDAY SOCIAL

In December 2020, the HNA Alumnae Board hosted a virtual Young Alumnae Holiday Social for alumnae from the past 10 years: Classes of 2011-2020. The evening was filled with great conversation, raffle prizes, games, and plenty of holiday spirit. Thank you to all who joined us!

SAVE THE DATE!

REUNION CELEBRATION

SEPTEMBER 18, 2021 | 10 A.M.

For milestone class-reunion years: '76, '81, '86, '91, '96, '01, '06, '11, '16

If you are celebrating a milestone class reunion between five and 45 years, save the date for the Reunion Celebration on September 18, 2021! We hope to host this event in person so you will have the opportunity to hear (and see!) all the latest updates at HNA—including our parking garage and beautiful new athletic complex. Watch your email or check out HNA's website and social media accounts for updated information about this event.

The Class of '60 will hold their 61st Reunion on October 14, 2021. Please contact Colleen O'Brien Keilbart '60 for more information at ckeilbart@gmail.com.

The Class of '71 will hold an informal 50th Reunion event at HNA on September 26, 2021. More details will be coming. Please contact Colleen Conroy '71 for more information at colleenmaryconroy@gmail.com.

The Class of '91 will hold their 30th Reunion on August 21, 2021. It will be a brunch/lunch event. Location and exact time are TBD. Please contact Sarah Schwartz Beeson '91 for more information at sarahshines@hotmail.com.

50th MILESTONE CELEBRATION CONGRATULATIONS, CLASS OF 1971

Congratulations to the Class of 1971 on celebrating their 50th reunion this year! While HNA was not able to celebrate this milestone with the Class of '71 in person, the Alumnae Board sent video messages and care packages to the class. We look forward to hosting a combined reunion celebration for the Classes of '70, '71, and '72 in 2022! More details coming later this year.

LEADING WITHOUT LIMITS

DR. TRACY HILLIARD '95, PhD, MPH

Tracy is the Director of Center for Culturally Responsive Engagement (CCRE) based at Michigan Public Health Institute's (MPHI) Seattle satellite. In this role, she directs culturally responsive engagement to advance racial equity through organizational development, strategic planning, measurement, learning, and evaluation.

DESCRIBE POSITIONS AND LEADERSHIP ROLES YOU HAVE HELD.

One of my first leadership positions was Student Body President at HNA! Thinking back on that experience, I realize now, that's when I became aware of my love for engaging others for community building. The leadership skills I developed at HNA prepared me for my academic and career experiences as a lead researcher, evaluator, educator, consultant, and executive in the public, private, and nonprofit sectors.

I think of leadership as a lifelong journey. A few of my latest highlights:

- Ten years ago, I participated in our region's premier civic leadership program, Leadership Tomorrow.
- Since 2019, I have led my team at MPHI as the strategic learning and evaluation consultants for W.K. Kellogg Foundation's Community Leadership Network Fellowship Program, a partnership with Center for Creative Leadership.

I currently serve as:

- Governing Councilor for the American Public Health Association—Health Informatics, Information Technology Section.
- Board Member for Building Changes, a nonprofit that advances equitable responses to homelessness in Washington State.
- People of Color Executive Committee Member at YWCA King & Snohomish County.

WHAT ARE THE BEST PARTS OF YOUR LEADERSHIP ROLES?

In my experience, the best parts of serving in leadership roles are: inspiring a shared vision, motivating others to action, creating opportunities for others to grow and lead, advocating for those who have been marginalized, and uplifting the voices

of those who have been silenced. I am particularly committed to leadership for mentoring students and creating spaces for diversifying STEM education and career opportunities in my professional and volunteer roles.

HOW DID HNA PREPARE YOU TO BE A LEADER? IS THERE A PARTICULAR PERSON IN YOUR LIFE WHO INSPIRED YOU?

HNA prepared me for a life of servant leadership, with God as our ultimate servant leader. The Bible says, "Speak up for those who cannot speak for themselves, for the rights of all who are destitute. Speak up and judge fairly; defend the rights of the poor and needy." - Proverbs 31:8-9

HNA taught us that the possibilities are endless for girls and women to lead as God blesses us with our gifts and talents. In an all-girls school, every leader is a young woman! The top scholars, athletes, and student organization leaders are all girls! You learn quickly how the possibilities are endless and we all have God-given gifts we can share to bless others. I remember in my freshman year, Sister Rosemary Perisich

approached me quietly on a bus full of rowdy young ladies excited for our field trip to the Puyallup Fair and whispered in my ear, "Exercise your leadership." I knew that meant I should step up and take responsibility for encouraging my peers to quiet down so the driver could focus on getting us there safely. So, I did. That was a pivotal moment for me to know that I could have such an influence on my classmates by encouraging them to settle down. The strong upbringing from my parents and the leadership development I received at HNA put me on a trajectory where servant leadership is part of my DNA and my lifestyle.

WHAT ADVICE DO YOU HAVE FOR UPCOMING LEADERS AND/OR STUDENTS?

Our world needs young leaders like you now. Holy Names needs you. The Greater Seattle Region needs you. Our country needs you. Our world needs you.

Our most significant social movements and innovations are historically led by young people. In light of COVID-19 and racial injustice, the need is great for strong, young, female leaders from diverse backgrounds in the fields of science, medicine, technology, politics, law, social services, and education, to name a few.

What are your gifts and talents? How can you be a blessing to others as you continue to grow, learn, and develop on your leadership journey? Each one of you is a leader, whether formal or informal. Step into your leadership. The time is now! Go forward and thrive.

ALUMNAE UPDATES

1950s – 1990s

Rose Marie Bergman Silliman '50

recently became a great-great grandmother!

Sister Carol Lee SNJM '53 taught in a school for 15 years, worked in parishes for 30 years, was a hospital chaplain, and most recently was a chaplain at the Lane County Jail in Eugene, Oregon for 14 years. Sister Carol is happily retired at Mary's Woods Retirement Center, where she first joined the convent in 1953.

Charlene Woodward '68 started a Facebook group in October called "Wild Wenatchee Swimmers." Every Saturday morning, a group of 12 swim in the Columbia River off Walla Walla Point Park.

Celeste McDonell '73 and her sister, Sara MacDuff, have joined their law practices together as McDonell MacDuff Law. Celeste joined her father's practice in 1981, which became McDonell & McDonell. Celeste's father passed away in 1986. In 2021, Celeste and her family decided it would be a good year to bring the family legacy back together. There are additional family members involved in the practice as well. Sara's daughter, Haley MacDuff, works as a paralegal and Celeste's son, Conner Garrison, works remotely in New York City as an office manager. McDonell MacDuff Law specializes in estate planning, probate and elder law, and family law.

Julie Raney '82 returned to coaching HNA Soccer this year, 21 years after the 1999 Championship season. She hopes to help lead the team to another State title!

Dorrie Hiatt '85 visited HNA virtually in November to share her experience as a doula with 9th-grade health classes taught by her daughter and HNA faculty member, Audrey Hiatt.

Sonya Khazaal '96 is the owner of the Lebanese-inspired restaurant, Phoenecia, in West Seattle. She is grateful to HNA for instilling in her the importance of giving back. To book a reservation, visit phoeneciawestseattle.com.

Colleen Harris '97 was selected as a "Search Marketer of the Year" during the 2020 Search Engine Land Awards. Colleen was recognized by the national digital marketing organization for her work with Google Analytics, data analytics, and reporting within the automotive industry.

Annie Wagner '98 is an Assistant Federal Public Defender with the Federal Public Defender in the Western District of Washington, concentrating on appeals and postconviction work. In 2019-20, she argued and won an important case before the Washington Supreme Court, *Phongmanivan v. Haynes*, which established a longer timeline to file federal habeas petitions for many Washington criminal defendants, and won release for a Washington prisoner convicted in violation of the First Amendment. Annie graduated from the University of Virginia with a B.A. and M.A. in English. She graduated with honors from the University of Chicago Law School in 2011, worked for Jenner & Block, LLP, in Washington, D.C., and clerked for former Chief Judge Marsha Pechman of

the federal district court for the Western District of Washington before beginning her current position. Annie is the mother of a four-year-old boy, Felix, is married to another attorney, Wesley Hottot, and lives blocks away from HNA on Capitol Hill.

Avery Haller '11 and **Claire Bonaci '11** teamed up on May 6 to speak virtually at General Assembly, the leading source for training, staffing, and career transitions for professionals. Avery and Claire spoke about the social determinants of health and how to build a better world. Avery earned her Master's of Public Health from Bastyr University with a focus on trauma-informed care implementation and currently works as a Program Manager at Vanderbilt University Medical Center. Claire Bonaci serves as Sr. Director of the Pharma subvertical of the US Health & Life Sciences department at Microsoft. She works in partnership with US life science companies, pharma, and health organizations to create innovative Microsoft solutions specific to the company's issues affecting their patients and their business.

Maria Black '11 coordinated the panel engagement with Avery Haller '11 and Claire Bonaci '11. Maria is a Marketing Associate at General Assembly and a graduate of Gonzaga University.
